This Purchase Agreement (this “*Agreement*”) is made as of this 6th day of April, 2018, between Spindle, Inc., a Nevada corporation (“*Buyer*”) and [redacted: business confidential information] a Delaware Limited Liability Company (the “*Seller*”).

### RECITALS

The Buyer desires and intends to acquire the Assets from the Seller at the price and on the terms and subject to the conditions set forth below.

### AGREEMENT

NOW THEREFORE, in consideration of the covenants and conditions set forth herein, the parties agree as follows:

#### 1. Purchase and Sale of Assets

Subject to the terms and conditions of this Agreement, at the Closing (as defined in Section 4 of this Agreement), the Seller will sell, convey, transfer, and assign, upon the terms and conditions hereinafter set forth, to Buyer, free and clear of all liens, pledges, claims, and encumbrances of every kind, nature and description, and Buyer shall purchase and accept from the Seller the Assets.

#### 2. Purchase Price

Buyer shall purchase the Assets for aggregate consideration (the “*Purchase Price*”) as follows, unless adjusted in accordance with Section 7.2 of this Agreement.

##### 2.1 Consideration

- (a) The Buyer shall pay to the Seller, at the time of Closing, the sum of [redacted: business confidential information] (the “*First Payment*”).
  - (b) The Buyer shall pay to the Seller, no later than eight (8) weeks after Closing, the sum of [redacted: business confidential information] (the “*Second Payment*”).

-

## 2.2 Recourse

The Closing shall not occur unless and until Buyer can make the First Payment. Should Buyer fail to make the Second Payment, Third Payment, or Fourth Payment by the times stated in Section 2.1, Buyer shall be entitled to a 45-day cure period in which to make such payment, provided that Buyer continues to undertake reasonable measures to seek additional financing and to generate cash from its business operations. If payment is not made by the end of the cure period, Buyer shall issue a Promissory Note to Seller for such payment, with 5% interest and secured by certain Assets.

## 3. Assets

The assets of the Seller (“*Assets*”) include but are not limited to those listed in Schedule 3 to this Agreement.

## 4. Closing

The consummation of the purchase and sale of transactions contemplated herein (the “*Closing*”) shall take place on May 15, 2018, or at such other time and place as the Buyer and the Seller agree upon orally or in writing. The date upon which the Closing occurs is referred to herein as the “*Closing Date*.” The transaction shall have an effective date of January 1, 2018 regardless of the Closing Date.

## 5. Representations and Warranties of the Seller

The Seller represents and warrants to the Buyer as of the date hereof (which representations and warranties shall survive the Closing as provided in Section 13.1 of this Agreement) as follows:

### 5.1 Seller Matters

#### 5.1.1 Good Title

The Seller owns the Assets free and clear of any lien, encumbrance, adverse claim, restriction on sale, transfer, preemptive right, option or other right to purchase, other than a certain right of refusal held by [redacted: business confidential information] for a period of 30 days from execution of this Agreement, and upon the consummation of the sale of the Assets as contemplated hereby, the Buyer will have good title to the Assets, free and clear of any lien, encumbrance, adverse claim, restriction on sale or transfer, preemptive right, option or other right to purchase.

#### 5.1.2 Authority

The Seller has all requisite power, right and authority to enter into this Agreement and the documents contemplated hereby (the “*Transaction Documents*”) to which it is a party, to consummate the transactions contemplated hereby and thereby,

and to sell and transfer the Assets without the consent or approval of any other person, corporation, partnership, joint venture, organization, other entity or governmental or regulatory authority ("**Person**"). The Seller has taken, or will take prior to the Closing, all actions necessary for the authorization, execution, delivery and performance of this Agreement and the other Transaction Documents.

### **5.1.3 Due Diligence**

The Seller has been solely responsible for its own due diligence investigation of the Buyer and its business, and its analysis of the merits and risks of the investment made pursuant to this Agreement, and is not relying on anyone else's analysis or investigation of the Buyer, its business or the merits and risks of the Common Stock other than professional advisors employed specifically by the Seller to assist the Seller. The Seller believes it has been given access to full and complete information regarding the Buyer, including, in particular, the current financial condition of the Buyer and the risks associated therewith, and has utilized such access to its satisfaction for the purpose of obtaining information about the Buyer; particularly, the Seller has communicated and met with senior executives of the Buyer, for the purpose of asking questions of, and receiving answers from, such persons.

### **5.2 Corporate Authority**

Seller has full corporate power and authority to execute and deliver this Agreement and the documents contemplated hereby to which it is a party and to perform its obligations hereunder and thereunder. The execution and delivery by Seller of this Agreement, the performance by the Seller of its obligations hereunder and thereunder and the consummation by the Seller of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action. This Agreement constitutes a valid and binding obligation of the Seller, enforceable against the Seller in accordance with its terms.

### **5.3 Consents and Approvals**

No consent, approval or authorization of, or declaration, filing or registration with, any governmental body is required for the execution, delivery and performance by the Seller of this Agreement and the Transaction Documents to which it is a party or for the consummation by the Seller of the transactions contemplated hereby and thereby. No consent, approval or authorization of any third party is required for the execution, delivery and performance by the Seller of this Agreement and the Transaction Documents to which it is a party and the consummation by the Seller of the transactions contemplated hereby and thereby.

### **5.4 Financial Statements**

The Seller will provide to Buyer tax returns, payment processing residuals statements, and other financial data as requested by Buyer or a third-party valuation consultant for purposes of conducting a valuation prior to Closing.

## 5.5 Title to Property; Encumbrances

(a) Seller has good and marketable title to all of its owned properties and assets, including all Assets identified in Schedule 3 to this Agreement, free and clear of any payment obligation to any third party or any other lien or encumbrance.

(b) With respect to properties and assets it leases, the Seller is in compliance with such leases and holds a valid leasehold interest free of all liens, claims or encumbrances. The Seller is not in default under any lease nor does the Seller have knowledge of any event which, after notice or the passage of time or both, will or may constitute a default under any lease.

## 5.6 Contracts

Schedule 5.6 contains a complete and accurate list of all contracts, agreements, arrangements and understandings oral or written, to which the Seller is a party or by which the Seller is bound, including, without limitation, all security agreements, intellectual property licenses and other license agreements, credit agreements, instruments relating to the borrowing of money, leases, rental agreements, purchase orders, sales orders and sale and distribution agreements (“**Contracts**”). The Contracts are valid, binding and enforceable in accordance with their terms against each party thereto and are in full force and effect; the Seller has performed all obligations imposed on it thereunder. There are not, under any of the Contracts, any defaults or events of default on the part of the Seller or, to the Seller’s knowledge, any other party thereto. True and complete copies of each Contract have been delivered to Buyer. No consent is required from any Person under any of the Contracts in connection with the consummation of the transactions contemplated by this Agreement, and the Seller has not received notice, nor is the Seller otherwise aware, that any party to any such contract intends to cancel, terminate or refuse to renew such contract or to exercise or decline to exercise any option or right thereunder.

## 5.7 Patents, Trademarks and Intellectual Property

(a) The Seller has sufficient title and ownership of all patents, trade names, trademarks, service marks, copyrights, net names, trade secrets, information, proprietary rights and processes necessary for its business as now conducted and as presently proposed to be conducted without any conflict with or infringement of the rights of others (the “**Intellectual Property**”).

(b) None of the Intellectual Property or the Seller’s rights thereto are being infringed or otherwise violated by any person or entity.

(c) The use of the Intellectual Property by the Seller in the operation of its business as now conducted or as proposed to be conducted does not infringe or otherwise violate any rights of any person or entity, and there is no pending or threatened claim, demand, cause of action, suit or proceeding, hearing or investigation (each a “**Claim**”) alleging any such infringement or violation.

In addition, there is no pending or threatened claim alleging any defect in or invalidity, misuse or unenforceability of, or challenging the ownership or use of or the Seller's rights, with respect to any of the Intellectual Property and there is no basis for any such Claim. Furthermore, there is no other Claim made by any person or entity pertaining to the Intellectual Property. None of the Intellectual Property is subject to any judgement, order, award, writ, injunction or decree of any governmental body or arbitrator.

#### **5.8 Licenses, Permits, Authorizations, etc.**

The Seller has received all governmental approvals, authorizations, consents, licenses, orders, registrations and permits of all agencies, whether federal, state, local or foreign ("*Permits*") related to the operation of the Seller's business. The Seller is in compliance with the terms of all Permits, and all Permits are valid and in full force and effect, and no proceeding is pending or threatened, the object of which is to revoke, limit or otherwise affect any Permit. The Seller has not received any notifications of any asserted failure to obtain any Permit.

#### **5.9 Compliance With Laws**

The Seller is and has been in compliance with all laws, statutes, rules, ordinances and regulations promulgated by any governmental body and all judgments applicable to the operation of its business, to its employees or to its property. The Seller has not received notice of any alleged violation (whether past or present and whether remedied or not), nor is the Seller aware of any basis for any claim of any such violation, of any such law, statute, rule, ordinance, regulation or judgment.

#### **5.10 Full Disclosure**

No information furnished by or on behalf of the Seller to Buyer or its representatives in connection with this Agreement or the transactions contemplated by this Agreement is false or misleading. In connection with such information and with this Agreement and the transactions contemplated hereby, the Seller has not made any untrue statement of financial or material fact or omitted to state a fact necessary in order to make the statements made or information delivered, in the light of the circumstances under which they were made or delivered, not misleading.

#### **5.11 Customers and Suppliers**

There is no indication that any customer or supplier of the Seller intends to terminate or modify its relationship with the Seller, or that the consummation of the transactions contemplated by this Agreement and the Transaction Documents will adversely affect the post-Closing relationship of the Buyer with any of the Seller's customers or suppliers.

#### **5.12 No Broker**

No broker, finder or other financial consultant has acted on behalf of the Seller in connection with this Agreement. The Seller shall indemnify and hold Buyer harmless from any brokers, finders or other consultant fees or commissions incurred or accrued in connection with this Agreement or the transactions contemplated by this Agreement by the Seller.

This Agreement constitutes a valid and binding obligation of the Buyer, enforceable against the Buyer in accordance with its terms, and the Transaction Documents to which the Buyer is a party, when executed and delivered by the Buyer, will constitute valid and binding obligations of the Buyer, enforceable against the Buyer in accordance with their respective terms.

### **6.3 No Conflict**

The execution, delivery and performance of this Agreement and/or the Transaction Documents by the Buyer and the consummation of the transactions contemplated hereby or thereby by the Buyer will not (a) violate, conflict with, or result in any breach of, any provision of the Buyer's articles of incorporation or bylaws; (b) violate, conflict with, result in any breach of, or constitute a default (or an event that, with notice or lapse of time or both, would constitute a default) under any contract or judgment to which the Buyer is a party or by which it is bound or (c) violate any applicable law, statute, rule, ordinance or regulation of any governmental body.

## **7. Conditions Precedent to Buyer's Obligations**

The Buyer's obligations under this Agreement are subject to the satisfaction of each of the following conditions, each of which is material, for the sole benefit of the Buyer and may be waived only in writing by the Buyer:

(i) any breach by the Seller of any representation or warranty in this Agreement

(ii) any breach of any covenant, agreement or obligation of the Seller contained in this Agreement;

(v) any claims or legal proceedings against the Buyer arising prior to the Closing Date.

### **13.3 Claims for Indemnification**

Whenever any claim shall arise for indemnification under Section 13 of this Agreement, the party seeking indemnification (the “**Indemnified Party**”) shall promptly notify the party from whom indemnification is sought (the “**Indemnifying Party**”) of the existence of the claim and, when known, the facts constituting the basis for such claim.

In the event any such claim for indemnification is made resulting from or in connection with any claim or legal proceedings by a third party, the notice to the Indemnifying Party shall specify, if known, the amount or an estimate of the amount of the liability arising from such claim. The Indemnified Party shall not settle or compromise any claim by a third party for which it is entitled to indemnification without the prior written consent of the Indemnifying Party, which consent shall not unreasonably be withheld, unless suit shall have been instituted against it and the Indemnifying Party shall not have taken control of such suit after notification as provided in Section 13.4 of this Agreement.

#### **13.4 Defense by Indemnifying Party**

In connection with any claim giving rise to indemnity resulting from or arising out of any claim or legal proceeding by a person or entity who is not a party to this Agreement, the Indemnifying Party at its sole cost and expense may, upon written notice to the Indemnified Party, assume the defense of any such claim or legal proceeding if it acknowledges to the Indemnified Party in writing its obligations to indemnify the Indemnified Party with respect to all elements of such claim. The Indemnified Party shall be entitled to participate in (but not control) the defense of any such action, with its counsel and at its own expense. If the Indemnifying Party does not assume the defense of any such claim or resulting litigation within thirty (30) days after the date that notice of such claim is received from the Indemnified Party, (a) the Indemnified Party may defend against such claim or litigation, in such manner as it may deem appropriate, including, but not limited to, settling such claim or litigation, after giving notice of the same to the Indemnifying Party, on such terms as the Indemnified Party may deem appropriate, and (b) the Indemnifying Party shall be entitled to participate in (but not control) the defense of such action, with its counsel and at its own expense. If the Indemnifying Party thereafter seeks to question the manner in which the Indemnified Party defended such third party claim or the amount or nature of any such settlement, the Indemnifying Party shall have the burden to prove by a preponderance of the evidence that the Indemnified Party did not defend or settle such third party claim in a reasonably prudent manner.

#### **14. Miscellaneous**

##### **14.1 Assignment**

No party may assign any of its rights or obligations hereunder without the prior written consent of the other party. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, legal representatives, successors and assigns.

##### **14.2 Arbitration**

Any claims or disputes arising out of this Agreement which cannot be resolved amicably between the parties shall be settled by submission to the American Arbitration Association (the “AAA”) for binding arbitration to be conducted in Mesa, Arizona, or upon mutual agreement of the parties any other location. The arbitration shall be conducted by one arbitrator mutually agreed upon by the parties, or, if the parties cannot agree, chosen in accordance with the AAA rules, and resolution of the dispute by such arbitrator shall be binding and conclusive upon the parties.

Any award made pursuant to this Section 14.2 may be entered in and enforced by any court having jurisdiction, and the parties consent and commit themselves to the jurisdiction of the courts of the State of Arizona for the purpose of the enforcement of any such award. The arbitrator shall award attorneys' fees and costs to the substantially prevailing party in accordance with Section 12 of this Agreement. The fees of the arbitrator shall be borne equally by the parties except that, in the discretion of the arbitrator, any award may include a party's share of such fees.

### **14.4 Modification and Waiver**

Neither this Agreement nor any of its provisions may be modified, amended, discharged or terminated except in writing signed by the party against which the enforcement of such modification, amendment, discharge or termination is sought, and then only to the extent set forth in such writing. No failure of a party to insist upon strict performance by the other party of any of the terms and conditions of this Agreement shall constitute or be deemed to be a waiver of any such term or condition, or constitute an amendment or waiver of any such term or provision by course of performance, and each party, notwithstanding any failure to insist upon strict performance, shall have the right thereafter to insist upon strict performance by the other party of any and all of the terms and conditions of this Agreement. Any party may, in its sole and absolute discretion, waive, only in writing, any condition set forth in this Agreement to such party's obligations under this Agreement which is for the sole benefit of the waiving party, in which event the non-waiving party or parties shall be obligated to close the transaction upon all of the remaining terms and conditions of this Agreement.

If notice is sent in any manner other than as provided by this Section 14.5, notice shall be deemed received when actually received by the party to whom the notice was delivered.

This Agreement shall be governed for all purposes by the laws of the State of Nevada applicable to agreements executed and to be wholly performed in Nevada. Nothing contained in this Agreement shall be construed so as to require the commission of any act contrary to law, and whenever there is any conflict between any provision contained in this Agreement and any present or future statute or law, ordinance or regulation or judicial ruling or governmental decision with the force of law contrary to which the parties have no legal right to contract, the latter shall prevail, but the provision of the Agreement which is affected shall be limited only to the extent necessary to bring it within the requirements of such law, ruling or decision without invalidating or affecting the remaining provisions of the Agreement.

#### **14.7 Counterparts**

This Agreement may be executed in counterparts, each of which shall be an original, but such documents shall constitute one and the same document.

#### **14.8 Contract Interpretation**

The parties acknowledge that they have caused this Agreement to be reviewed and approved by legal counsel of their own choice. This Agreement has been specifically negotiated, and any presumption that an ambiguity contained in this Agreement shall be construed against the party that caused this Agreement to be drafted shall not apply to the interpretation of this Agreement.
